

STUDENTS HELPING OTHER STUDENTS.

Instead of selling your used textbooks, consider donating them to S.T.E.P. to participate in our give one, get one initiative.

HOW IT WORKS

1. Bring your used textbooks to Reid Memorial Library and receive one voucher per donation for a **FREE** textbook from our collection the following semester.
2. Bring your voucher(s) to the library during regular operating hours to choose a new textbook. **Please be aware that because our collection consists solely of donations, there is no guarantee the book(s) you need will be available.*
